Public Notice of 2012 Section 8 Waiting List

Due to the fact we received over 9,000 pre-applications for the Section 8 waiting list, we are revising our notification process. 1200 pre-applications were selected by lottery, and placed on the waiting list.

Each applicant will be able to check if they were selected in the electronic lottery by August 1, 2012 through our automated line **(203) 838-1623**.

If the system does not recognize your social security, you were not selected in the lottery.
